# WEEKLY NEWS

**Sunday 8th May 2022**

**Easter 4**

**WELCOME**

It's good to see more 'swallows' and tourists attending our services; but please don't forget to invite your friends and neighbours to come along and try us out. Please, please, please think about contributing something to the Weekly News, if only to stop my rambling.

## *COLLECT and PRAYERS FOR THIS WEEK*

### **Collect:**

Almighty God, whose Son Jesus Christ is the resurrection and the life: raise us, who trust in him, from the death of sin to the life of righteousness, that we may seek those things which are above, where he reigns with you in the unity of the Holy Spirit, one God, now and for ever. Amen.

### **A Prayer for this week for our Parish and Ourselves.**

Heavenly Father, we bless your name for this beautiful week ahead that you have prepared for us. We go with confidence in your name, bless the works of our hands. You are a faithful God, we commit all spheres of our lives in your able hands, make us fruitful. As we go through the week, open our eyes to see the world anew and give us strategies for success and keep evil away from us. Thank you for answered prayers. Amen.

### **Psalm 34: 4-5**

"I sought the Lord, and he answered me; he delivered me from all my fears. Those who look to him are radiant; their faces are never covered with shame."

### **GOD SLOT**

My goodness! It's May! Wasn't it just December a few days ago? I knew I shouldn't have blinked – nearly half the year has just passed me by like an express train. A few years ago a friend of mine had been having doubts

I yawn and stretch...  
I feel the age of my body,  
and know that it is passing away.

Yet, my soul is young...  
and happy.

I feel close to Jesus,  
and I want to be in heaven.

He will call me home,  
when he wants me there.

Until that moment I am free  
and choose to be

all that I can,  
for Him.

(Ann Foster)

## **Feeling Young**

Quiet is the morning,  
the sun coming over the mountains...

in the distance.

Not quickly,  
but exactly at the right time.

The day has begun.

The birds are singing,  
and the flowers are looking up to the sky.

We can not remember why?  
We should try harder.

The world is full of miracles,  
small and large.

We are among them.  
We are His.

Dance like there is a King,  
and you will soon find the reality  
of everything.

Sing with a voice lifted,  
not a whisper but a shout...  
to the one above our lives.

The perfect Lord,  
the Master.

over his faith and he was explaining to me that his antidote to his doubts was to get out into the country side at night and look at the stars and think about the immensity of the universe (Big Bang theory notwithstanding), and a voice behind us suddenly chirped in with "And God is bigger than that!" It wasn't the actual voice of God or an angel, but the voice of the 10 year old daughter of my friend. And, as I can't top that with anything else I'll leave you with the thought that 'God is bigger than we could ever imagine in every sense.'

God Bless

Revd Ken

### **Joke Spot:**

*Little Johnny said to his mate, "I have a good feeling about the job interview I had today." His friend asked him why, and he replied, "The manager said they were looking for somebody responsible and I told him that in my last job whenever there was a problem they always said I was responsible!"*
